Dear General Walters,

It was with great delight that I received your acceptance to be the Guest Speaker at our District Midwinter Conference Closing Luncheon to be held on January 25, 1976, at the Shoreham Hotel, Washington, D.C. Our mutual friend, William G. Downey, informed me of you, and with your background, experience, and patriotism, I know this is the proper way to close a conference.

This letter, then, is to confirm these arrangements by me, as General Chairman of the conference, and to express my sincere appreciation to you for giving up your Sunday noon for us.

The Capital District of Kiwanis International is comprised of some 210 Kiwanis Clubs with a total membership of approximately 12,000, from Maryland, Virginia, Delaware, and Washington, D.C. We expect between 1000 - 1,100 to be in attendance at the conference, with approximately 600 attending the Closing Luncheon.

Incidentally, the luncheon will begin sharply at 12:15 P.M., and will be held in the Palladian Room. As soon as the program is finalized in November, I will send you a copy.

Should you have additional questions or requests, please do not hesitate to contact me. My home phone is 933-4723, and my office phone is 933-1251.

I am looking forward to meeting you and enjoying your company.

"A DAY WITH YOUR LEGISLATORS"

Wednesday, May 5, 1976 should be one of the highlights of this Administrative year.

The present planning includes:

A POLL from our entire California K Family including all Sponsored Youth AND our Kiwanis Clubs of a list of the "10 Most Burning Issues" our Legislators must face in 1976 as felt by the 4 leaders of both houses who submitted them to us. We will take the result of this enormous POLL to the north steps of the State Capitol on May 5, 1976.

We have the commitment of the Deputy Director of the much-in-the-news Central Intelligence Agency, Washington, D. C. as our luncheon speaker. Legislators are already predicting a bumper number of their members will hear this hard-to-get speaker.

Each Kiwanis Club in California is urged to take a couple of your local elected Officials as your guests for this outstanding day.

We expect a goodly attendance from our SPONSORED YOUTH for this occasion.

Mr. President, you will want to begin a carefully laid plan to get members of your Club to participate with you in the above exciting program. Our goal is 1000 persons there.

Dear Mr. Morgan,

This is to confirm our telephone conversation of today.

Lt. Gen. Vernon A. Walters, U.S.A., Deputy Director of Central Intelligence, would be delighted to be the guest speaker at the May 5 Kiwanis luncheon in Sacramento, California.

I am enclosing a photograph and biographic sketch which may be of use to you.

I now understand that in addition to the Kiwanis-Rotary combined meeting General Walters addressed some months ago, he will now be speaking before the mid-winter conference of Kiwanis International covering the four state area around Washington. This speech will be sometime in January.

With kindest regards.

Sincerely,

/s/ Angus MacLean Thuermer

Dear Mr. Colby:

On May 5, 1976, over 1000 Kiwanians and their ladies, along with Key Clubbers, Circle K and Keywanettes (the youth of the Kiwanis Family) from all over our great State, will go to Sacramento, California for our annual "Day With Your Legislators." This is a well established program within our District.

ILLEGIB

These Kiwanians will be meeting with their various legislators both formally and informally during the morning. We will be taking the results of a poll of our 37,500 K Family members to our Governor and Legislators. This is expected to be the largest poll ever undertaken in our State by any group (as far as we know) on several vital issues of the day.

The main affair is a luncheon when we sit down with our Legislators as our guests. And that is precisely the point of this letter. We want you to be our guest speaker at that occasion!!

We recognize it is several months away to May 5, 1976. We also realize we want to get our invitation in well in advance so as to be first in line.

Therefore, please carefully consider this invitation and respond with a "yes" which may be subject to your further consideration. May I assure you a warm welcome on our part with attentive and appreciative ears.

Mr. Hugh D. Morgan, Chairman, Public and Business Affairs Committee, 3030 Telegraph Ave., Berkeley, California 94705, 415/845-2132, will be our person in charge and will do the follow-up with you so as to assure a smooth and complete affair. Please accept.

Sincerely,

ILLEGIB

General Vernon A. Walters
Deputy Director

Dear General Walters:

I just wanted to express my personal appreciation to you for the address which you offered on Saturday, January 24 at the closing luncheon of the capitol district Kiwanis Club.

Your remarks certainly offered some interesting and thought provoking insights into the intelligence activities of our nation, and while I appreciate that there is much that we as citizens are not totally aware of, it is gratifying to have the kind of men which you and your colleagues represent handling this vitally important aspect of our nation's security system.

I would be interested to know if the CIA has an information office that might provide a speaker to address the Kiwanis Club of Georgetown which meets on Wednesdays at 12:30 p.m. at Billy Martin's Carriage House in Georgetown. I appreciate that you yourself would not be available to speak to a group of 40 or 50 men, but I wonder if there is not someone else who could offer the same kind of remarks to members of our club, only a few of whom actually attended the luncheon for our capitol district which you addressed.

Many thanks if you can refer this letter to the appropriate office.

Sincerely,

George W. Fellendorf *gk*
